

Saturday March 1, 2025 · 10-11:30am
Student Center 160, LeRoux Conference Room

Stand in solidarity with our community as we raise our collective voices to elected officials to advocate for the respect and upholding of tribal treaties, the preservation and restoration of salmon and our common home, and for the removal of the four lower Snake River dams! *This event is part of a larger series of events, if you would like to join for Thursday and Friday's programming, all are welcome to join!*

FREE & OPEN TO THE PUBLIC, REGISTRATION REQUIRED.
